

SECKINGER

## Blanc PURE

Unfiltered. This wine is matured inside French tonneaux with multiple layers. Grape varieties: 80% Pinot Blanc and 20% Gewürztraminer. The grapes for our Blanc Pure come mainly from the Ruppertsberger Linsenbusch and Nußbien vineyards. Old yellow and red sandstone combined with lime marl dominate here. The inspiration for this wine originated in the French department of Jura, and is related to Savagnin due to its spicy-wild pairing with a slight reduction. To us, this is a wine that perfectly exploits its potential and soul every year without the need for sulphur or other additives.
